1 About me {
2   Hello ^^ ,
3   Passionate about video games, I'm fulfilling my
4   childhood dream of working making games. Besides
5   gaming, I like to enjoy my time restoring old
6   consoles, reading science fiction and fantasy books
7   (Please do yourself a favor and start reading
8   Brandon Sanderson's books, you'll thank me in the
9   future) and listening to all kinds of music.
10
11  Eager to learn and face new challenges, I'm always
12  looking to do my best and improve at what I do.
13 }
14
15 Projects {
16   PondPlatoon: In a small team as main developer.
17   Roomba War: IA development as programmer.
18   Custom Movement System: Personal prototype.
19   Hex map Editor: Personal prototype.
20 }
21
